TOWA Corporation (hereinafter, the “Company”) hereby announces that it has resolved to establish new sales offices in India, as outlined below.

### **1. Purpose of Establishment**

In India, under national government leadership, the fostering of the semiconductor industry is being advanced, and investment plans by domestic and overseas companies are becoming active.

The Company established a sales subsidiary in Gurugram, Haryana State, in April 2025, and has put in place a local customer support structure.

As further market expansion is expected, in order to provide faster and more closely engaged, customer-proximate support, the Company will establish two new bases, thereby constructing a three-location structure within India.

Through this, the Company will seek to enhance the sales and service structure with the Gurugram head office as its core, and will pursue the improvement of customer satisfaction and the building of strong and enduring trust relationships.
